

- GENERAL NOTES:**
1. Contractor and Subcontractor shall verify all dimensions of the drawing and site conditions prior to any work commencing.
 2. All Shop Drawings shall be submitted to the Project Architect. The Manufacturer shall not commence any works prior to the return of the approved Shop Drawings signed by the relevant consultant.
 3. Figured dimensions take precedence over scaled dimensions. DO NOT SCALE from drawings. Architectural Hardware Consulting Pty Ltd cannot guarantee the accuracy of content and format for copies of drawings issued electronically.
 4. This drawing should be read in conjunction with all relevant contracts, specifications and drawings.
 5. Copyright of this drawing is vested in Architectural Hardware Consulting Pty Ltd. The information contained in this document is copyright and may not be used or reproduced for any other project or purpose.
 6. For additional setout information where no dimensioning is shown, refer to reference tags for detailed drawings.
